### Introduction and Applicability

Your privacy is important to us. - Personal information that we collect about you when you are acting as our job applicant, employee, owner, director, officer, medical staff member, or contractor to the extent that we collect and use your personal information solely within the context of that role. This also includes your emergency contact information and personal information that is necessary for us to retain to administer benefits for you. However, you will still receive a notice at the time of collection which outlines the categories of personal information we collect and the purposes for which we collect the categories of personal information. Additional CCPA employment-related disclosure(s) supplement

this CCPA Notice and will provide you with information on the personal information we collect, use and disclose specific to the job application and employment context, respectively.
